

It is with great pleasure CMSUK recognise excellence in practice from its own members. CMSUK are therefore proud to announce the Nominations for the 2017 Case Manager of the Year Award.

CMSUK are delighted to have this year received more nominations than any previous year. This high level of nominations which include a number of multiple nominations for individual Case Managers, makes the award even more hard fought and represents a lot of pride in the excellent work Case Managers provide to the rehabilitation process. Our sincere congratulations go to all of the Nominees.

Nominations and completed submissions have been received from (in no particular order):
